Look at the review packet and reflection packet from class. Use the results from your review packet, learning checks, and chapter tests to identify 3 (or more) areas of strength and 3 (or more) areas where you'd like to improve.

AREAS OF STRENGTH	AREAS FOR IMPROVEMENT
¡BIEN HECHO! KEEP UP THE GOOD WORK!	WHAT STRATEGIES WILL YOU USE TO INCREASE YOUR UNDERSTANDING?

Use the information from your reflection to organize your plan for studying. You should review all of the information from the semester. Then, spend extra time studying the areas that are most difficult for you. Feel free to ask questions or visit me for help!
