What would be your projected score for this mode? _____

End of semester: Do your scores reflect any pattern of growth (up or down)? _____

What would be your projected score for this mode? _____

* REPERFORMANCES REPLACE THE ASSESSMENT SCORE. Requirements for reperformances: All unit homework must be completed. Remediation and/or protocols must be completed with teacher and/or in ILC. Reperformances must be completed within the reperformance window set by the instructor.

Process: How does your participation inside and outside of class support your learning? Please consider the following questions:

- How have you been preparing for and performing on learning checks?
- Have you been thoughtfully completing your homework on time?
- Have you been actively participating in class and group discussions/activities?
- Have you been a self-advocate? i.e. Seeking help outside of class.
- Have you been completing the protocols? Reperformances?

Mid semester:

End of semester:
